

Annual Report

Good evening everyone,

It gives me immense joy to welcome you all on this special occasion our school's First Annual Day Celebration.

I extend a warm welcome to our honourable Chief Guest, Shri S. T. Somashekar Sir, distinguished members of the trust, our respected Chairman, esteemed guests, key functionaries, dear parents, grandparents, our associates, school faculty, and our wonderful students who motivate us every single day.

NPS SMV is more than just a place of learning; it is a nurturing environment that kindles curiosity and innovation. Every child here is considered unique, with their own potential and abilities. They are respected, encouraged, and guided to excel.

As educators, we take great pride in fostering a culture of integrity, discipline, and strong values in our children. These qualities help them grow into empathetic, adaptable, and socially responsible individuals.

Our culture and traditions are unique and rich. By involving our children in the celebration of cultural and national festivals, we provide them with meaningful experiences that help them understand their roots and heritage. This, in turn, develops a tolerant and compassionate attitude towards all.

On a daily basis, students from every grade are given opportunities to participate in regular and special assemblies. On many occasions, they have confidently stepped forward to showcase their talents and creativity, which have been truly impressive. These assemblies serve as a nurturing ground for self-expression, leadership, and confidence building.

I would like to thank our parents for their cooperation and continued support. To foster a healthy competitive spirit, we have conducted a variety of inter-house and intra-house competitions throughout the year. Activities such as recitation, speeches, skits, singing, art, floral arrangements, and dance have been enthusiastically encouraged.

We have also introduced various club activities under the guidance of professional coaches in the disciplines of Art, Music, Dance, and Theatre. As these clubs are a compulsory part of the curriculum, children have actively participated and have been able to identify their talents and passions in different fields.

Health remains our priority. Regular exercise, yoga, karate, and aerobics are integral parts of our curriculum. Field trips have also been organized to provide exposure and enhance social skills.

To break the monotony after term examinations, students enthusiastically hosted class parties for their peers, promoting bonding and joy.

Academics will always remain our top priority, as our brand - NPS stands for excellence. Regular assessments were conducted on a monthly basis, including four MRs and Term Examinations. The second term examinations are scheduled to commence on March 16, 2026. Our PTMs were conducted successfully with an encouraging response from parents.

National Public School

SMV

Remedial classes have been implemented to ensure continuous improvement. Olympiad and Spell Bee examinations were conducted successfully, and we are proud that several of our students have qualified for the next level.

On this joyous occasion, we assure you of our continued commitment to the cause of education. Dear parents, let us continue to shine together as we reach out, reach high, and reach beyond.

In keeping with technological advancements, we request parents to regularly refer to the school app for updates regarding events, timetables, attendance, photographs, and circulars to ensure smooth communication. We would also like to inform you that the entire school campus is monitored by CCTV for the safety and security of your wards. Our school transport is equipped with GPS and CCTV systems for added security.

It is customary to present the school report on such occasions, and I have had the honor of doing so.

Every school calendar is marked with special occasions and cultural events. Our students and teachers have worked tirelessly to put forth their best performances this evening. I request our parents and guests to be generous in encouraging their efforts.

Please sit back, relax, and enjoy this wonderful evening with NPS SMV.

Thank you, and have a truly star-studded evening!
